

GERMOL

DIGITAL BRAND PLAN

2026-27

Germol Current Range

Antiseptic Liquid

Handwash

Wet Wipes

Soap

Germol

Brand Promise

Germol has the power of antiseptic ingredients to protect and shield the family from germs + it has the moisturising ingredients that care for your skin- thus helping Families live a healthier and happier life.

Brand Purpose

To help families live a healthier life without the constant worry of germs

Target Group

Core Brand Equity TG: 20-45+yrs, females, SEC B, C & D- women of the house who are the primary purchase decision makers & who are always worried about the health & welfare of their family. They are constantly looking out for the best solutions to protect and care for their family.

When it comes to digital media, we consider both male & female as TG.

Target Group

For Soap Variants

The TG will be **the youth** who are looking for additional benefits along with germ kill. The communication also changes accordingly with Ms. Germol not leading the comms for these variants.

A refreshing pick-me-up soap to start the day

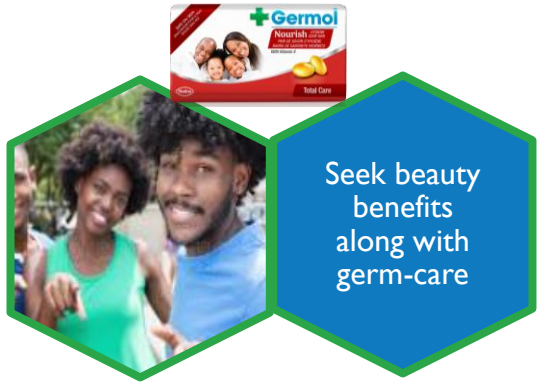

A cooling sensation needed after a hot, dusty day outside

For sensitive, pimple-prone skin which needs extra gentle care

For people who seek herbal care/ benefits of herbs

Seek beauty benefits along with germ-care

For those seeking deep cleansing, oily skin

For Wet Wipes

For on-the-go care, office workers, frequent travelers, those who go to gym, parents of toddlers/infants, laborers, technicians etc- who need care while outside home
For disinfecting home surfaces.

Germol

Big Idea

EVERYDAY HEROES. EVERYDAY PROTECTION.

Every mother, every sister, every wife, every father,every caregiver is a real-life superhero- Germol is their weapon.

With Germol products, these caregivers can protect and care for their family , without any extra efforts. They shine like superheroes with invisible capes.

Tagline: **Germol- The power to protect, now in your hands.**

Germol

Big Idea

EVERYDAY HEROES. EVERYDAY PROTECTION.

Every aspect of a superhero (in reel and real) is similar to what Germol offers as a brand/product

- Heroes come in different sizes and forms
- Heroes keep working behind the scenes so you can rest in peace
- Heroes care for everyone's safety
- Heroes have multiple superpowers
- Heroes fight to save the world, everyday
- Heroes are always around you

OBJECTIVE – DIGITAL MEDIA

Awareness	Consideration	Advocacy
• Keep the brand on top of mind • Talk about Variants and their benefits.	• Increase credibility and drive trials. • Educate & interact with users. • Encourage users to try other variants.	• Showcase brand loyalty to drive trials.

This is brought alive by covering the on-ground activations, school activations, handwashing campaign.
Education reels, on-ground coverage

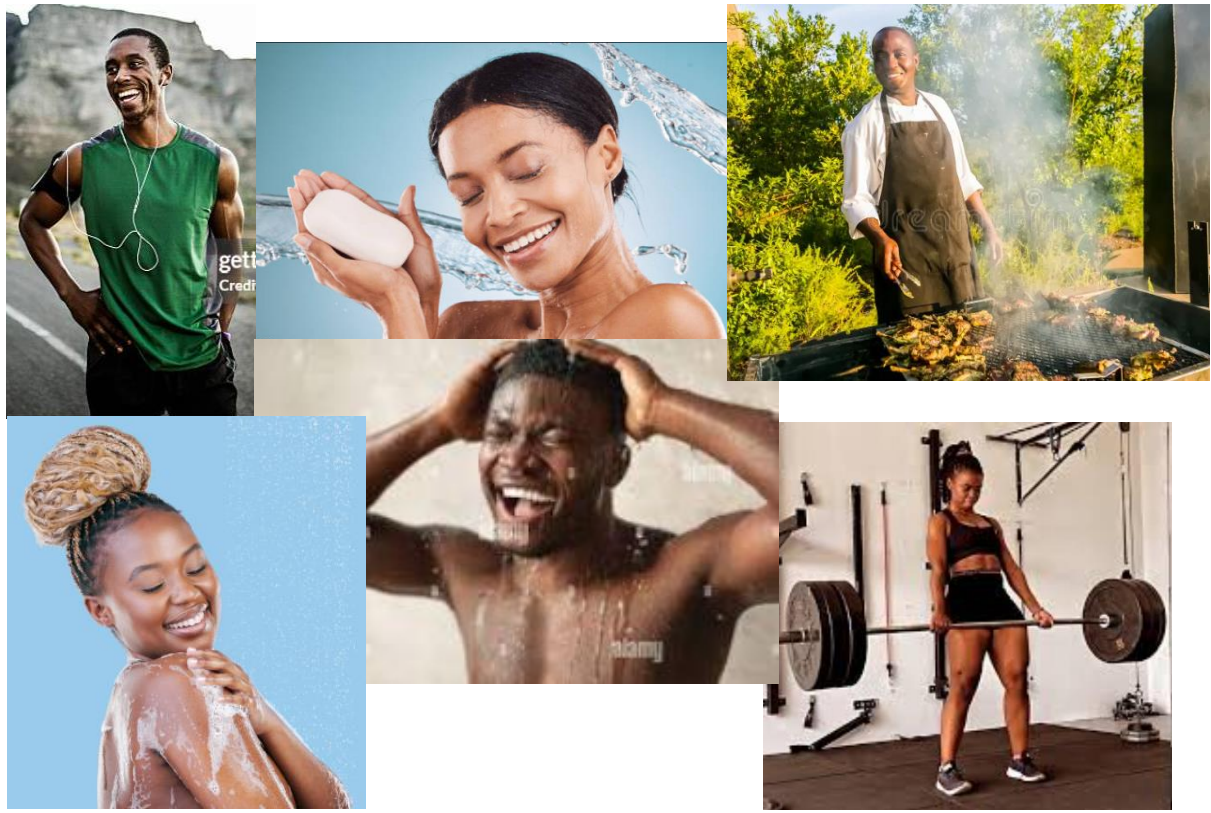

Germol Digital- Types of Influencers & Content

There are 2 broad bifurcations of the types of influencers and content that we need for brand Germol.

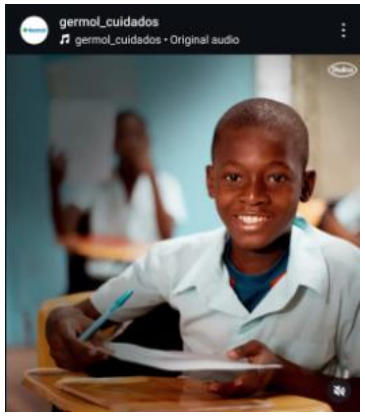

Family and parenting, hygiene experts, lifestyle influencers to showcase Germol as the go to brand for complete protection from germs in all life scenarios, especially for kids.

The other group is dedicated to the Fresh and Cool soap variants, for younger TG with active lifestyle.
Fitness, travel, wellness, men's grooming influencers, etc. highlighting the cooling and refreshing benefits of these variants. Need for intense cooling and freshness because of active outdoor professions/life.

‘Handwashing Day’ Activation

Germol™
GLOBAL HANDWASHING DAY

EDUCATE

- Teaching people about **6 steps of handwashing through live demo**.
- **Boards/banners/pamphlets** with the 6 steps of handwashing sponsored by Germol.
- Putting up **handwashing stands (Germol branded)** with Germol product to aid regular habit of handwashing.
- **Tie Up with NGOs** conducting Handwashing Day activations/ installing handwashing stations/ conducting cleanliness drives etc.

ENGAGE

- **Germol Handwash Song Dance Off**: Have a dance off between teams on the handwashing song with winners getting hampers/gifts.
- Play **games which highlight importance of handwashing.**
- **Ms Germol** comes in(a person dressed in Ms Germol costume) to educate people about germs and importance of handwashing. She plays games & sings the handwashing anthem. You can use **Ms Germol cut outs** etc to help people pose as her.
- Use **Handwashing Song** across all forums and activations to increase awareness.

EMPOWER

- Select **Handwash Heroes/Champions** (in schools, church, universities etc) who will each get a badge and be Hygiene monitors.
- Everyone takes the **Handwashing Pledge** during activation. We can put up posters of the pledge in schools/churches etc- sponsored by Germol.
- **Sample Germol soaps** across we can print stickers of handwashing day and put up on each sample.
- Clean up Drive in residential communities/parks/public areas with Ms Germol & influencers.
