BRAYO – THE IMPORTANT DELIVERY

IBUCAP Kenya | Shoulder Pain | 15 Seconds

Morning Hustle

Wide Establishing

Brayo rides through the busy streets of Nairobi during morning rush hour. He navigates traffic confidently on his boda-boda while greeting familiar faces.

First Passenger

Medium Shot

A passenger flags him down and asks for a quick ride to an important meeting. Brayo accepts and they set off through the city.

Pain Begins

Close-Up

As he rides through traffic, Brayo feels a sharp ache building in his shoulder from long hours on the handlebars. He winces but keeps going.

Job Completed

Medium Shot

Brayo successfully drops the passenger at their destination. The passenger thanks him and rushes into the building.

The Ibucap Moment

Close-Up

Now that the ride is complete, Brayo reaches into his vest pocket and takes TWO Ibucap capsules with water.

New Urgent Ride

Medium Shot

Before he can leave, another passenger approaches in a hurry.
"Boss, please help me. I'm running late."
Brayo nods and invites her onto the bike.

Power of 3-in-1

Tracking Shot

Brayo confidently navigates Nairobi traffic on the second ride. He remains focused as he weaves smoothly through the busy streets, determined to get his passenger there on time.
